PROFESSIONAL SUMMARY

I am a dynamic and innovative software developer with strong problem-solving and coding skills. As a certified Agile TypeScript/JavaScript frontend developer, I have built software solutions for businesses across EdTech, FinTech, and ConsumerTech ecosystems. I excel in leveraging the Agile Scrum methodology and thrive as a collaborative team player to deliver impactful results.

SKILLS

Languages: Javascript, TypeScript

Core Technologies/Frameworks: Typescript, Javascript, ReactJS, Redux, and Flutter

Tooling/Deployment Automation: Docker

Operating System(Servers): Linux Server, Microsoft Server, and MacOS Server

Version Control: GitHub, GitLab, Bitbucket, and Trello
